

3 doors down - Loser

This song is one of my personal favorites

Intro

```

      F#-                D
e-----2-----]-----2-----
b-----2-----]-----3-----
g-----2-----]-----2-----
d-----4-----]-----0-----
a-----4-----]-----0-----
e-----2-----]-----0-----

```

F#- D

F#- D

Breathe in righth away nothing seems to fill this place
 i need this every time, take your lies get off my case
 some day i will find a love that flows ththrough me like this
 an this will fall away this will fall away

(It goes like that all along the verse)

chorus

```

      E          F#-                D5          E5
e---0---]---2-----]-----x-----]--x----
b---o---]---2-----]-----x-----]--x----
g---1---]---2-----]-----7-----]--9----
d---2---]---4-----]-----7-----]--9----
a---2---]---4-----]-----5-----]--7----
e---0---]---2-----]-----]-----]-----

```

E F#- D5 E5
 You're geting closer to ...

(after that theres a brige tha goes like this:

```

      F#-                A          C          B
e-----2-----]-----]-----]-----
b-----2-----]-----]-----]-----
g-----2-----]-----]--5---]---4--
d-----4-----]-----7---]--5---]---4--
a-----4-----]-----7---]--3---]---2--
e-----2-----]-----5---]-----]-----

```

```

      E          F#-
e---0---]---2-----
b---0---]---2-----
g---1---]---2-----
d---2---]---4-----
a---2---]---4-----

```

e---0---]---2-----

it change on the last one

then it goes back to
F#- and D
