

3 doors down - Sarah Yelling

PROPS GO TO: Jake H

I couldnt find this song anywhere on the net, so I decided to tab it myself. This is my very first tab so please go easy on the comments. I'll keep workin on this song cus this is one of my personal favorites. Thanks, enjoy! comments go to flipsk8ter20[at]hotmail.com standard tuning key: * = slide between the chords but still hit the strings = slide x = chuck it () = play first time threw the verse only than skip it note this whole song is distorted im sure you knew that :-) intro - im pretty sure about this, listen to the song for rythm might not be totally correct though

7-x-3-x-4-xxxx E|-5-x-1-x-2-xxxx filler play the verse line twice but

emphasize the bending a lil more verse: just play the verse again

4x chorus: play the chorus again i dont know what he is doin on the

soft muffed out part il try gettin that soon solo- well sort of a

solo, im not to sure of this just keep strummin these two chords i

cant tell you how many times each E|----- B|----- G|-13----11 D|-

11-----9 A|----- E|----- now just play the intro and the

second part of the chorus and your done!
