One Of Us

written by Benny Andersson & Bjorn Ulvaeus  
 performed by ABBA  
 from "The Visitors", 1981  
 transcribed by Peter Eybert <pjoe[at]charon.muc.de>

G                    Gj7 Bm                    Em Em7  
 They passed me by, all of those great romances  
 C                    G                    D                    C                    D  
 You were, I felt, robbing me of my rightful chances  
 G                    Gj7 Bm                    Em Em7  
 My picture clear, everything seemed so easy  
 C                    Bm  
 And so I dealt you the blow  
                   Em  
 One of us had to go  
 Am                    C/G                    D7/F#  
 Now it's different, I want you to know

                  G  
 One of us is crying  
                   G/F# Em  
 One of us is lying  
                   Em7 C E7 Am  
 In her lonely bed  
 C6/G                    D  
 Staring at the ceiling  
 C                    D7                    G G/F# Em Em7 C D7  
 Wishing she was somewhere else instead

                  G  
 One of us is lonely  
                   G/F# Em  
 One of us is only  
                   Em7 C E7 Am  
 Waiting for a call  
                   A7                    G  
 Sorry for herself, feeling stupid feeling small  
 D7(sus)                    D7  
 Wishing she had never left at all

I saw myself as a concealed attraction  
 I felt you kept me away from the heat and the action  
 Just like a child, stubborn and misconceiving  
 That's how I started the show  
 One of us had to go  
 Now I've changed and I want you to know

---

One of us is crying  
One of us is lying  
In her lonely bed  
Staring at the ceiling  
Wishing she was somewhere else instead  
One of us is lonely  
One of us is only  
Waiting for a call  
Sorry for herself, feeling stupid feeling small  
Wishing she had never left at all  
Never left at all

Staring at the ceiling  
Wishing she was somewhere else instead  
One of us is lonely  
One of us is only  
Waiting for a call
