

abba - Our Last Summer

INTRO: G, Bm, C, D x2

CHORUS:

I can still recall, our last summer

I still see it all

Walks along the Seine, Dancing in the rain

Our last summer, memories that remain

VERSE:

We made our way along the river

And we sat down in the grass by the Eiffel tower

I was so happy we had met

It was the age of no regret

Ohhhh yes

Those crazy years that was the time

Of the flower-power

But underneath

We had a fear of flying

Of growing old

A fear of slowly dying

We took our chance

Like we were dancing our last dance

Dsus D
