The Visitors by Abba

INTRO:

 I hear the doorbell ring and suddenly the panic takes me
 D
 The sound so ominously tearing through the silence
 Am E
 I cannot move I'm standing numb and frozen
 D A
 Among the things I love so dearly, The books
 G A
 The paintings and the furniture ... help me.

CHORUS:

A G D A
 Now I hear them moving muffled noises coming
 G D A
 Through the door I feel I'm crackin up.
 G D A
 Voices growing louder irritaion building and
 G D A
 I'm close to fainting cracking up.

They must know by now I'm in here tremblin
 In a terror evergrowing, cracking up.

My whole world is falling, going crazy

There's no escaping now I'm cracking up.

Here's the tab for the little synth riff that comes after that chorus:
