WHOLE LOTTA ROSIE

~~~~~

This song is another simple riff that sounds JUST GREAT.

The intro riff goes just like this

(Repeated)

```

|-----|
|-----|
|-----|
|---2---5-----7-----5---2-----|
|---0---3---0---5---0---3---0-----|
|-----|

```

And the verse riff is just a variation of the Intro riff

```

| first part |
|-----|
|-----|
|-----2-----2-----2-----|
|---2-----2-----2-----|
|---0---3---0---5---0---3---0-----0---0-----0---0-----|
|-----|

```

There is also a solo for the Rosie in that magazine, but I am not so sure about that (it included the first part of the verse riff and a variation of the riff played on the 5th and 7th fret of the 2nd and 3rd string, but I am not so sure...)
