Thanks to Matthew Brian Wheeler for letting me know about the ghost note

Repeat this part through the verse which lyrically goes something like this:

We all live on the edge of town
 Where we all live, ain't a soul around
 People start a comin' all we do is just a-grin
 Said we gotta move out cause the city's movin in(2x)

At that point, the lyrics change and the guitar plays something like this:

```
verse 2- (trill)
E-----|
```

```

B-----2-----2-----4---2---0h2p0h2po---
G-----2-----2-----2-----2-----
D-----2-----2-----2-----2-----

The lyrics for this part go like this:

Tell me who ya know and I'll tell ya who to
 Go see my friend and he'll set you free
 Tell me what you need and maybe I can go too
 No one knows the way but maybe me

For the "Nobody goes there" part, the guitar plays what sounds like this:

```

      A      B5      C5
  Nobody goes there Nobody shows where Nobody
E-----
B--2-2-2-----2-2-2-----2-2-2-----
G--2-2-2---4----5-----2-2-2---4----5-----2-2-2---
D--2-2-2---4----5-----2-2-2---4----5-----2-2-2---
A-----2-----3-----2-----3-----
E-----

                        D5

E-----
B-----2-----
G--4-----5-----5-----7-----2-----
D--4-----5-----5-----7-----2-----
A--2-----3-----3-----5-----

```

E-----3b-----|

Repeat that part(although I forget how many times) and then start in with these lyrics and a variation of verse 2:

Good Morning Glory! Halleluiah to ya!
What is the story and
What's been goin' through ya?
Living like a king off the fat of the land
Working like a dog in a rock-n-roll band

We're movin'
 We're gettin' out
We're movin'
 Without a doubt
We're movin'
 We're goin' far
We're movin'
 Oh, yes we are 'cause

Nobody goes there
Nobody shows where
Nobody knows where
You can find me
Nobody knows where
Nobody shows where
Nobody knows where
You can find me

Before the solo the guitar plays something like this:

E-----
B---2-----
G---2-----5-----7-----10-10----12--12-----
D---2-----5-----7-----10-10----12--12-----
A-----3-----5-----8--8---10--10-----

```

*guitar 2, fill 1-

```

This part I'm not as sure of as the others, but it sounds to me that one of

the guitars plays something like this:

```

verse 3(clean guitar with what sounds like a chorus)-
E-----|
B-----|
G-----2p0-----2-----2p0-----2--0-----2p0-----4--|
D--0-----2-----0-----2-----2--0-----0-----|
A-----|
E-----|

```

```

E-----|
B-----|
G----5p4----2--0----|
D--0-----0-----2--|
A-----|
E-----| (repeat throughout verse)

```

The lyrics for this part go like this:

Level with God and you're in tune with the universe
Talk with yourself and you'll hear what you wanna know
Gotta rise above 'cause below it's only gettin' worse
Life and time will take you where you wanna go

Where you wanna go
where you going(3x)
Ah(6x)

That's about it for the lyrics and guitar parts that I know of. Get through the rest of the song by repeating what's already here whenever appropriate. Make minor improvisations when necessary. Have fun and write me with any questions.
