D/F#

Meant for you

My hands are longing to touch you

Story eyes that make me melt

You right in front of me

Gsus4

D/F#

I even get lost in this song

C

And when the lights go down

D/F#

---

That is where I'll be found

If music is irresistible  
Your voice makes my skin crawl  
Innocent and pure  
Guess you heard it all before

Mystery inaccessible  
Will this ever change  
One thing that remains the same  
Your picture in a frame

Gsus4  
Lost in this world

I even get lost in this song  
Csus4  
And when the lights go down
