    A Taste of Honey    Scott-Marlow  (performed by Beatles 1962)
                                                      ^^^^^^^
```

A taste of [Ami]honey, [C]tasting much [G]sweeter than [Ami]wine

I [Ami]dream of [C]your first [G7]kiss and [D]then
I [Ami]feel a[C]part, my [G7]lips are [D]gett'n
A taste of [Ami]honey, [C]tasting much [G]sweeter than [Ami]wine

{Chorus:}
I [A]will re[C]turn, yes [D]I will re[Emi]turn
I'll come [F]back for the [G]honey and [Ami]you.

Those was a kiss that avowed my heart
They ring (in) still, though you far will part
A taste of honey, tasting much sweeter than wine

{Chorus.}

P.S. The words in 2nd verse are only aproximate, so are some chords in the chorus, too.
