

beatles - Daytripper

I converted this from the standard music notation of one of those jumbo Beatles books....

```

g-----  
d-----2--0----4-----0--2-----  
a-----2-----2----2-----  
e--0--3-4-----
```

It starts off.....

E7
"Got a good reason..."

A7
"Got a good reason..."

E7
"For taking..."

F#
"Day_____ Tripper...."

A7 G#7 C# B
"so_____long to find out, and I found out

the bridge goes like this....

B7 E/B F#m/B B6 A/B B7 B

the song ends with....

E7
"Day Tripper...etc"
