

## beatles - Daytripper

PROPS GO TO: Justin Lee

This is a very good song many people have a hard time figuring out how to play it though, Listen to it for the amount of time to do everything. But here it is. Riff 1:

Riff 2: e|-----| then e|-----| Then  
 back to Riff 1 B|-----| B|-----| G|----  
 -----| G|-----2-0-4---2| D|-----2-0-4---2|  
 D|-----2---2-2-5-| A|-----2---2-2-5-| A|-0-3-4-----  
 -| E|-0-3-4-----| E|-----| Repeat this for

the Intro and the Verses. Then the chorus goes like this. F#  
 |244XXX| then Apc |577XXX| then I dont know what this is  
 |466XXX| how about Cb then I dont know what this is either  
 |9 11 11 X X X| how about high C# then I dont know this  
 either |799XXX| how about high B Then do a slide on the E from the  
 12th fret to the 1st. Then do Riffs 1 and 2 again for the verses.  
 Then the chords for the chorus, then it changes after the chorus  
 into this. e|-----| This is the real way to play

e|-0-----| B|-----| that piece, but  
 there is an B|-0-----2---| G|-----|  
 easier way to play that. You G|-4-----4-2---2-4| D|-----9-7-  
 11-7-9| can play it like this... D|-4-0-1-2---4-4---| A|--  
 -----9---9--9---| A|-2-----  
 -----| E|-7-10-11-----|

E|-0-----| Listen to the song as to how many times to play  
 that, then you come back down into Riffs 1 and 2 again. If you have  
 any questions about this e-mail me at  
 justinm300club[at]netscape.net or jm300club[at]msn.com

Thank you ver much and have a great time playing!!!!
