Dear Prudence - Tab

(Lennon/McCartney)

Transcribed by Randy Robb

This is in response to the Dear Prudence Tab request. Please note that

the lowest string is tuned to a D, and that the tablature refers to what

strings should be played, not the order. To finger-style pick this

properly use this order:

```

E | 2-----
B | -----3-----
G | ----2-----
D | --0-----0--
A | 0-----
D | -----0----- (using D chord below)
