IF YOU'VE GOT TROUBLE
 written by John Lennon and Paul McCartney
 performed by the Beatles
 tab transcribed by Collins Crapo <roxtar[at]srv.net>

E / / / 2 / / /
 If you've got trouble
 A B7 E
 Then you've got less trouble than me
 You say you're worried
 A B7 E
 You can't be as worried as me
 A
 You're quite content to be bad
 B7
 With all the antics you've had over me
 E
 Just start your trouble
 A B7 E
 And don't bring your troubles to me

Verse 2:
 I don't think it's funny
 When you ask for money and things
 Especially when you're standing
 There wearin' diamonds and rings
 You think I'm soft in the head
 Well, try someone softer instead, if anything
 It's not so funny
 When you know what money can bring

CHORUS:

A E
 You'd better leave me alone
 A B7 E
 I don't need a thing from you
 A E
 You'd better take yourself home
 A B7 E
 Go and sell a ring or two

(repeat verse 1)

(instrumental, same pattern as verses)

(repeat chorus and verse 1)

E
 Just start your trouble
 A B7 E

And don't bring your troubles to me
