I couldn't find any music to this in my music books so I chorded this myself with 'dsChordFinder'. This is the 'Beatles for Sale' version, this song is also released on the album Anthology 1 but it has not got 'And now she is mine...' instead replacing it with another 'On the nights you don't come my way...'. It is in F# on the record but I transposed it to G for easier reading.

Ask me any beatles song...,
