[D]One and one is two. What am I to do,
[G]now that I'm in [A]love with [D]you?
I'm [D]hopin' ev'ryday I'm gonna hear you say,
"You [G]really make my [A]wish come [D]true."
{eoc}

[D] Can you feel when I'm [G7]holding you near (Oh [D]yeah)
All the things I [A7]do? (Oh [D]yeah)
So, my love, am I [G7]making it clear? (Oh [D]yeah)
One and [A7]one is [D]two.

{c: chorus}

[D] Can't you see I've loved [G7]you from the start? (Oh [D]yeah)
Don't you love me [A7]too? (Oh [D]yeah)
I love you but you're [G7]breakin' my heart. (Oh [D]yeah)
From [A7]wanting [D]you.

{c: chorus}

{c: chorus}

[D] If you say that you're [G7]gonna be mine (Oh [D]yeah)
Ev'rything's al[A7]right. (Oh [D]yeah)
All the world would [G7]look so fine (Oh [D]yeah)
If you'll be [A7]mine to[D]night.
