This is one of the greatest songs I've ever heard..
Beatles are the best!!!!!!!

If you liked this song you should listen to one called
"Sexy Sadie", it's on the "White Album" a/k/a
"The Beatles". - It's the greatest song on the whole planet.

Fact:

You can also find "Real Love" on the soundtrack album
"Imagine" with just John's vocal and guitar. This demo is
from 1977 - originally titling it "Real Life".
The song that is on "Antology 2" is recorded in 1979 with
John vocal and piano. He recorded it into a mono-cassette on
top of his piano.

To Beatles and John Lennon : THANK YOU FOR THE MUSIC!!!!!!!

If there are any song you would like me to fix/arrange, just
send me an e-mail.
