 Subject: Tab for Yellow Submarine

YELLOW SUBMARINE

Lennon and McCartney

arr. by Noam Mohr (mohr[at]student.physics.upenn.edu)

I made this version of Yellow Submarine from the way the piano version sounded in The Complete Beatles, I have no idea how similar it is to the original version. But it works for me!

All the notes and chords that fall on the off beat should have a dotted rhythm, i.e. instead of two eighth notes play a dotted eighth note and a sixteenth note. If you've ever heard the song this rhythm should be obvious. Make sure you look for the ^ marks to show the beats, don't go by the spacing.

I haven't been able to come up with a good rhythm for the chorus, so I encourage you to be creative rather than following my boring strum pattern.

INTRO VERSE:

```

      G          D          C          G          Em          Am          Em          D          G

WORDS:

INTRO VERSE:

In the town where I was born
 Lived a man who sailed the sea
 And he told us of his life
 In the land of submarines

VERSE 1:

So we sailed up to the sun
 Till we found the sea of green
 And we lived beneath the waves
 In our yellow submarine

CHORUS:

We all live in a yellow submarine
 Yellow submarine, yellow submarine
 We all live in a yellow submarine
 Yellow submarine, yellow submarine

VERSE 2:

And our friends are all on board
 Many more of them live next door
 And the band begins to play...

CHORUS

VERSE 3:

As we live a life of ease
Everyone of us has all we need
Sky of blue and sea of green
In our yellow submarine

CHORUS (repeat and fade)
