In this life, in this life, in this life

In this oh sweet life

We're coming in from the cold

Coming in, coming in, coming in, coming in, coming in, coming in

We're coming in from the cold

It's you, it's you, it's you I'm talking to

Well you, it's you, it's you

It's you I'm talking to now

why do you look so sad and forsaken

When one door is closed

Don't you know another is open

Would you let the system

Make you kill your brotherman

No dread no

Would you make system

Make you kill your brotherman

No dread no

Would you make system

Get on top of your head again

No dread no

Well the biggest man you ever

Did she was just a baby

In this life, in this life

We're coming in from the cold

We're coming in from the cold

Coming in from the cold

It's life. it's life, it's life

Coming from the cold

---

We're coming in, coming in, coming in  
Coming in from the cold

It's you, it's you, it's you I'm talking to  
Well you, it's you, it's you  
It's you I'm talking to now  
why do you look so sad and forsaken  
When one door is closed  
Don't you know another is open

Would you let the system  
Make you kill your brotherman  
No dread no  
Would you make system  
Make you kill your brotherman  
No dread no  
Would you make system  
Get on top of your head again  
No dread no  
Well the biggest man you ever  
Did see was just a baby

In this life, in this life  
In this oh sweet life  
We're coming in from the cold  
We're coming in, coming in, coming in  
Coming in from the cold  
We're coming in, coming in, coming in
