I believe there were a request a couple of weeks ago for some Marley songs... Disclaimer: I haven't been playing theses songs for a long, long time so chord changes etc. may be slightly off. Anyway, you should be able to get the general idea.

Could you be loved

---

and be loved?  
Could you be loved  
and be loved?

    Cm        Cm  
The road of life is rocky  
    Cm        Cm  
and you may stumble too.  
    Cm    Cm  
So while you point your fingers  
    Cm    Cm  
someone else is judging you.

Cm        Cm  
Could you be, could you be, could you be loved?  
Cm        Cm  
Could you be, could you be loved?  
Cm        Cm  
Could you be, could you be, could you be loved?  
Cm        Cm  
Could you be, could you be loved?

Don't let them change you,  
or even rearrange you.  
Oh, no!  
We've got a life to live  
They say only, only,  
only the fittest of the fittest shal survive,  
stay alive.

Could you be loved  
and be loved?  
Could you be loved  
and be loved?

You ain't gonna miss your water  
until you well runs dry.  
No matter how you treat him,  
the man will never be satisfied.

Could you be, could you be, could you be loved?  
Could you be, could you be loved?

Say something...

Enjoy,  
Kim
