I think this is pretty straightforward, but I'm not certain about the chord progression on the "Everything's gonna be alright" part.

NO WOMAN NO CRY - V. Ford  
 Performed by Bob Marley and the Wailers on the Live! album

I think it's in A, so capo on the 2nd fret

In the government yard in trenchtown  
And Georgy would make a firelight  
As it was love would burn in through the night.
