Here is some Bob Marley song. We have to fill this Bob_Marley directory.

There are only three chord in this song, but the most important is to have a really cool right-hand rythm. A pretty good exercise for playing reggae !

So, the general pattern of the song goes like this ...

```

          Bm                Em                Bm                F#m
