She's Gone

Bob Marley

G# Cm Fm C#
 My woman is gone (my woman is gone)
 My woman is gone (my woman is gone)

She had left me a note hanging on my door
 She say she couldn't take it, she couldn't take anymore
 The pressure around me - just couldn't see
 She felt like a prisoner who needs to be free
 Fools have tried, yeah - wisemen have failed
 Oh, listen to me honey, life could never be another jail
 Still we know now we'll never see smoke without fire
 And everyone you see has a heart desire

She's gone (she's gone), she's gone (she's gone)
 She's gone (she's gone), she's gone, ye~ah
 Oh mockingbird, have you ever heard
 Words that I never heard?
 Oh mockingbird, have you ever heard
 Words that I never heard?

She made it through the exit (she just couldn't take it)
 She made it through the exit (she just couldn't make it)
 And, oh my children, if you see me cryin'
 My woman is gone
 If you see me - if you see me - if you see me
 If you see me cryin'
 If you see me - if you see me - if you see me
 If you see me cryin'

She's gone (she's gone), she's gone (she's gone),
 she's gone, ye~ah
 Oh mockingbird, have you ever heard
 Words that I never heard?
 Oh mockingbird, have you ever heard
 Words that I never heard?
 She's gone (she's gone), she's gone (she's gone),
 she's gone...
