Correction to Waiting in Vain by Bob Marley
By John Stewart

Verse is correct

Sorry, I messed up on the bridge:

```
                     Db            Cm                          Bbm
Cause when summer is here, Im still waiting there
Db          Cm                                Eb
Winter is here, and Im still waiting there...
```

... the rest is right, sorry

Waiting in Vain by Bob Marley
transcription by John Stewart

```
Cm                            G#
I dont want no wait in vein for your love,
I dont want no wait in vein for your love,

Cm                                  G#
From the very first time I blessed my eyes on you girl,
My heart said follow through
But I know know that I,m way down on your line
And the waiting feels fine

So don't treat me like a puppet on a string
Cause I know how to do my thing
Don't talk to me, as if you think Im dumb
I want to know when you're gonna come, see

Cm                              G#
I don't want no wait in vein for your love
```

I don't want no wait in vein for your love
I don't want no wait in vein for your love,

```
                    Db              C#m                          Bbm
Cause when summer is here, I'm still waiting there
Db           C#m                                Bbm
Winter is here, and I'm still waiting there...
```

(SOLO OVER VERSE)

```
Cm                                          G#
```

It's been three years since I'm knocking on your door
And I still can knock some more
Ooo girl, Ooo girl, is it feasable, I wanna know now
For I to knock some more, you see

In life I know, there's lots of grief
But your love is my relief
Tears in my eyes burn, Tears in my eyes burn
While I'm waiting, while I'm waiting for my turn

Chorus and Fade..

Thanks Bob.......
