Intro: C - Fadd9 - Am G - Fadd9

Am
This Romeo is bleeding
G
But you can't see his blood
F
it's nothing but some feelings
Em7
That this old dog kicked up

It's been raining since you left me
Now I'm drowning in the flood
You see I've always been a fighter
Em7 F G
But without you I give up

Now I can't sing a love song
like the way it used to be
well I guess I'm not that good anymore
but baby that's just me

C G Dm Am G
Yeah, I will love you baby, always
C G F Am G
and I'll be there forever and day, Always
C
I'll be there still the stars don't shine
G/D
till the heavens burst and the words don't rhyme
F
I know when I die, you'll be on my mind
G F G Am F
and I'll love you, always

Now your pictures that you left behind
are just memories of a different life
Some that made you have to say goodbye

What I'd give to run my fingers through your hair
to touch your lips, to hold you near
when you say your prayers, try to understand
I've made mistakes, I'm just a man

When he holds you close, when he pulls you near
when he says the words you've been needing to hear
I'll wish I was him, cause those words are mine
to say to you till the end of time

Bb Eb Fsus F
If you told me to cry for you, I could
