

## bon jovi - Bed Of Roses

PROPS GO TO: Imran Sajjad and Mark Balfour

```

-----
----- Bed of Roses by Jon Bon Jovi, Richie Sambora,
Desmond child, David Brian, Alec David, and Ticco Torries Tabbed by
Imran Sajjad and Mark Balfour note: This tab is submitted after a
lot of correction. It has lead guitar, better chords, a better solo
and intro with correct pith and effects, and better rhythm. It is a
100% correct by me but if you think its incorrect in some place,
mail me [at] dal_roti13[at]hotmail.com . By the way this is a
classic song by bon jovi and you ll enjoy playing it as much you
enjoy listening to it. The best part is the solo when you play it
with chords. its sounds even better than it does on the CD. Any
way, have fun. Chords used: * EADGBe
