

bon jovi - Bells Of Freedom

The song is played in the key of G.

1st verse:

D
 I Have walked all alone
 D A
 On these streets
 A
 That I call home
 D
 Streets of home
 D
 Streets of gold
 D A
 Through the sidewalk cracks
 A
 Time disappears
 D.....

D
 I was lost on my knees
 D
 On the eve of the defeat
 D
 As i chose to back to heed
 D A
 There's a silenced scream
 A
 No one could hear
 D
 So far away
 D A
 From everything I know is truth
 A
 Some feelin inside
 D A
 That makes you do that you gotta do

Chours:

D
 Ringin bells
 A
 Ring them loud
 D A
 Let them bring hearing now
 D A G
 Just reach out And ring the bells of Freedom
 D
 Bring those foes crashing down
 A
 Like you lost everyone
 D A
 Standing ground

A G
And Ring the bells of Freedom

2nd Verse:

D
Of this Wrath
A
Of this Wretch

Thru the fields

And the dirt

In the dark I have seen

That the sun still shines

Wont' u believe

So Far away

So full of Dark

And Need'nt

Just close your eyes and

Hear the sound inside of you

Chorus
