                                Em
I guess this time you're really leaving
G                                D
I hear your suitcase say good-bye
                                Em
and as my broken heart lies bleeding
G                                D
you say true love is suicide.
                                Em
You say you cried a thousand rivers
G                                D
and now you're swimming for the shore
                                Em
you left me drowning in my tears
G                                A
and you won't save me anymore.
N.C.
I'm praying to God you'll give me one more chance girl.
