Some violin intro thing.. then

C G Am  
Sitting here just watching you sleep,

F C  
Wish I could slip inside and be,

F C G  
In some technicolour dream,

C G Am  
But the air's too thick for one of us to breathe,

F C  
I'm not fool enough to think,

F C G  
You couldn't live life without me,

F G C  
I didn't come this far to throw the towel in,

F G C  
I didn't fight this hard to walk away,

Am E F  
If I ain't smart enough to say I'm sorry,

F G C  
It's just because the words got in the way,

I remember how it used to be,  
I was you and you were me,  
We were more than just the same,  
Now these shoes don't fit, My skin's too tight,  
When you want a kiss, I take a bite,  
Let your heart call up the cops, read me my rights,  
Last night I drank enough to drown,  
Raise a toast to your good looks and to my health,

---

Look, we both know how much I've let you down,  
Jaine don't take your love to town,

Chorus:

Jaine don't you take your love to town,  
F G C

Jaine don't you take your love to town,  
F G C

If I've got to beg, I'll beg, just don't walk away  
Am E F

Jaine don't you take your love to town,  
F G C

Peace, God Bless C'ya
