

bon jovi - Silent Night

PROPS GO TO: mike

verse 1: after the(A) smoke clears and its(D) down to you and i when
the(A) sun appears there will be(D) nothing left but goodbye we'll
just turn and(A) walk away how could we(D) let it end like this just
turn and(A) walk away should we(D) seal it with a kiss bridge:
(Bm)its to late now you're(A) out and on the run (Bm)it's to late
held up in(E) love without a gun chorus: silent(A) night we hold up
our(D) candle light silent(A) night the night(D) our love died no
words to (A)say now we're(G) both to tired to fight just hold me(Bm)
close, dont let(E) go verse 2: repeat chours repeat verse 1 up until
"goodbye" repeat chorus
