The smell of hospitals in winter (w/ fill 1, then fill 2 here)
 And the feeling that it's all a lot of oysters, but no pearls *
 All at once you look across a crowded room
 To see the way that light attaches to a girl *(and fill 3 here)
 And it's one more day up in the canyons
 And it's one more night in Hollywood
 If you think you might come to California... I think you should

Drove up to Hillside Manor sometime after two a.m.
 And talked a little while about the year
 I guess the winter makes you laugh a little slower,
 Makes you talk a little lower about the things you could not
 show her

And it's been a long December and there's reason to believe
 Maybe this year will be better than the last *(fill 2)
 I can't remember all the times I tried to tell myself
 To hold on to these moments as they pass *(fill 4)

And it's one more day up in the canyon *(fill 5, played w/ a slide)
 And it's one more night in Hollywood
 It's been so long since I've seen the ocean... I guess I should
