This is my first stab at guitar tab, but I am positive this is correct.

I went totally by a live version the Counting Crowes did of this tune,

since I have yet to hear the original by the Psychedelic Furs. You can find a version of this on the "Clueless" soundtrack, which is worth getting, mainly for this song! Drop me a line and tell me what you

think, it's nice to know this will be appreciated! Enjoy!

(C) (Fm)  
 A man in my shoes runs a liar, and all the papers lie tonight

(C) (Fm)  
 that falling over you is the news of the day.

(G\*)  
 The angels fall like rain,

(Fm) (G\*)  
 and your love is all of heaven away.

---

(G) (Fm)  
Inside you time moves and she don't fade,

(G) (Fm)  
The ghost in you, she don't fade.

(C) (Fm)  
The race is on I'm on your side, but hearing you my engines die,

(C) (Fm)  
I'm in the mood for you, for running away.

(G\*)  
Oh the stars come down in you

(Fm) (G\*)  
And love, love, love, can't give it away

(G) (Fm)  
Inside you the time moves and she don't fade away

(G) (Fm)  
The ghost in you, she don't fade.

(C) (Fm)  
So don't you go, cause it makes no sense and all these talking  
supermen

(C) (Fm)  
just take away the time, just to get it away.

(G\*)  
Ain't it just like the rain

(Fm) (G\*)  
Cause love, love, love, love, is only heaven away.

(G) (Fm)  
Inside you the time moves, and she don't fade

(G) (Fm)  
The ghost in you, she don't fade away.

(G) (Fm)  
Inside you the time moves, and she don't fade

(G) (Fm)  
The ghost in you, she don't fade away.

(C) (Fm)  
The man in my shoes runs a liar, and all the papers lie tonight

(C) (Fm)  
That falling over you is the news of the day.

(C) (Fm)  
And love, will not fade away.

(C) (Fm) \*let ring\*  
And love, love, love, will not fade away.
