

counting crows - Goin Down To New York Town

INTRO: G

Csus2= 020010

G
Well I feel just like a freight train baby,
running out of steam.

Em7

I wanna go on down to New York town,
but I'm stuck in between.

D

And I could stay on here at home alone
and have myself to thank,

C

But I just made a billion dollars
and I don't wanna put it in the bank,

D

C

So if you call...

G

we could go to town.

Well dear mom,

if you could see me now here underneath the lights

Em7

I gotta keep 'em on from dusk to dawn
and everything's alright.

D

I met a girl with autumn in her eyes
and summer in the way

C

She makes me feel
like I was only born today or yesterday,

D

C

And if she calls...

Am

we could go to town.

But everybody here

hates everything I say,

Em

and girl I just don't know
if I can last another day.

Am

So I guess I'm going back,

Bm

back where I belong,

C

I hope you come along

D

before I get back on that train that takes me...

G

home from New York City
to the things I left behind

Em7

And 'though I ain't got no money girl
, I'll always have the time.

D
But I wish that you would hurry,
I hope you get here soon
C Csus
'cause I just sold the sky to the sun
Am7 G
so I could buy for you the moon.
D C
And if you call...
G D C
we could go to town. So if you call...
D C
yeah, if you call...
D C
girl, if you call...
G
we could go to town.
End on G
