verse 2

Hop on my choo - choo, i'll be your engine driver in a bunny suit
 If you dress me up in pink and white we may be just a little fuzzy
 'bout it later tonight
 She's my angel, she's a little better than the one that used to be
 with me
 Cause she liked to scream at me man, it's a miracle that she's not
 living up in a tree

Chorus 2

I may take a holiday in Spain, leave my wings behind me

Drive this little girl insane and fly away to someone new

Verse 3

Everybody's gone, they left the television screaming that the
radio's on
Someone stole my shoes, but there's a couple of bananas and a
bottle of booze
Oh, well happy new year's baby we could probably fix it if we clean
it up all day
Or we could simply pack our bags and catch a plane to Barcelona
'cause this city's a drag

I may take a holiday in Spain leave my wings behind me
Flush my worries down the drain and fly away to somewhere new

Take a holiday in Spain, leave my wings behind me
Drive this little girl insane, fly away to someone new
Fly away to someone new
Fly away to someone new
