

counting crows - Kid Things

PROPS GO TO: Shannon Lucas

D G Verse: What's that that makes
you wanna be lonely? C(add9)
G What's that that keeps you sitting at home? D
G He'd always say no, no, no as if he
wanted you to be hungry D
C(add9) G Well the same things you're missing
could get you into something else
Pre-Chorus: A Better leave when to stay is
only G D
Nothing but being alone, what I wanted you to know
(D) C(add9) G
Chorus One: It's kid things that seem like nothing at all
F D Kid things make it
better than it was C(add9) G
F D Kid things seem like nothing
at all, kid things make it better than it was Verse: Hey, what you
got that makes you wanna be lonely? What you got that
makes it a better way to be? She said, "no, no, no can't
get any lovin' it's a Sunday." I said, "Oh yeah, what makes you think
I wanted it that way?" Pre-Chorus: But one or two more smiles from
you and I don't need anything else But I wanted you to
know Chorus Two: It's kid things that seem like nothing at all Kid
things that make it better than it was We're just kids, we spend
all night on the phone It's a kid thing, but I sleep
better when I'm not alone Solo (Verse chords) Em
G D Em G Bridge: And what I want right now is
some more heart, give me more Verse: And what you think is that
you're not getting any younger What I know is that you're not
really very old I know you say no, no, no and it feels much
better in the summer Well, if it isn't warm where you're sitting
Well kitten come on in out of the cold Pre-Chorus: All I
know is that when I'm with you I don't need anything else, and I
wanted you to know Chorus Two Chorus: Kid things seem like nothing
at all, kid things make it better than it was We're just kids, it's
just like driving a car A kid thing, I'm the fool who'd rather come
through where you are
