

counting crows - You Can't Count On Me

Standard tuning (capo 3rd fret)

INTRO: Em - D - G - C
Em - D - G

D G
Anything's hard to change
But hey I got you down on your knees again
Em
You watch the sky
C G
It's a pale parade of passing clouds
D G
That cover the bed upon which we laid in the dark
D G
And the memories that I made

Em
Of a laughing girl
C
But you're just my toy
G D
And I can't stop playing with you baby

G C
If you think you need to go
G C
If you wanted to be free
G Am
There's just one thing you need to know
Em D G
And that's that you can't count on me

D G
I'm coming along real good
D G
But I still can't do most of the things I should
Em C G
I watch the sky coming down to bury me...
D G
And I can't stop this crawling out of my skin
D G
I know that you see yourself flying in

Em
Out of the sky
C

Coming down
G D
To carry me but I won't come out

So if you think you need to go
G C
If you wanted to be free
G Am
There's one thing you need to know
Em D G C
And that's that you can't count on me....
Em D G
No, you can't count on me

And I get off and you know why

G C
So if you think you need to go
G C
If you wanted to be free
G Am
There's one thing you need to know
Em D G
And that's that you can't count on me

G C
So if you think you need to go

If you wanted to be free

There's just one thing you need to know
