Found myself on a flatcar, yesterday behind.

F C  
Pullin' out from the platform, there was no brass band.

F C  
I pulled out from the platform, nobody raised a hand.

G7 F7  
And there were no tears of regret from my runaway train.  
Train, train, train, train.

(break)

F C

Run, run, run, run.

(break)

F C

Run, run, run, run.

(Hum first two lines and fade)
