I'm almost sure I posted this not too long ago. I got this from a
 tab book of
 CCR. I believe the chorus uses the moving bassline and slash
 chords as opposed
 to the minor chords.

Could someone please send this to Nevada FTP because I'm not sure
 how to.

The chorus uses a moving bass line which is incorporated into the
 chords.

Have You Ever Seen The Rain
 By
 Creedence Clearwater Revival

Intro:

|Am |F |C |G |C |Bass fill into first verse|

C
G
Someone told me long ago, there's a calm before the storm, I know
and its been coming for some time. When its over so they say it'll
rain
a sunny day, I know, shinin' down like water.

Chorus:

F G C C/B Am Am/G F I
I want to know, have you ever seen the rain I
want to
G C C/B Am Am/G F G
know, have you ever seen the rain, comin' down on a
sunny
C
day. (with bass fill)

Additional Lyrics:

2nd verse:

Yesterday and days before,
Sun is cold and rain is hot.
I know, been that way for all my time.

'Til forever on it goes
through the circle fast and slow,
I know, and I can't stop. I wonder.
