Subject: I HEARD IT THROUGHT THE GRAPVINE

hello everybody,
after just downloading "i heard it" etc. from the Nevada site, i thought hay,
why don't i put my own in. here goes

ok, just to start off things, put your FIRST finger on the second fret, THIRD string. this will make it a lot easier!:-)

E-----
F-----
D--2-----2--2--2-----2-2---2-----
B--0-----0--3--0-----0-0---3--2-0-----
G-----
E-----

repeat 40000's times

that's basically it. there's two guitars in the song. the first plays that part and the other plays a reptiotion of the following chords:

Dm A7 G. then the end of the verse comes in, and i guess
you can
throw in a Bm. here are the verses:-)

Verse 1:

Bet you're wondering how i knew 'bout your plans to make me blue,
with some
other guy that you knew before. between the two of us guys you knew
i love
you more. it took me by surprise i must say when i found yesterday

Ooh I

Chrous:

heard it through the grapvine, not much longer would you be mine.
honey honey
yeah:

Verse 2:

you know that a man ain't supposed to cry, but these tears i can't
hold
inside. losin you would end my like you see, cause you mean that
much to me.
you could have told me yourself that you found someone else.
instead I

Chrous:

Verse 3:

people say believe half of what you see, son, and none of what you
hear. I
can't help being confused if it's true please tell me dear? do u
plan to let
me go for the others guy that you knew before.

Oooh I

Chrous:

p.s. if there are 2 guitar players around, one person play the
crap at the
top, and another play the samething, but just improvise.
3rd String-5th string
4th String-6th string,
meaning, the other person play a nice bassy part, just following
the same
shit at the top, but using 3rd string as the 5th string.
