

creedence clearwater revival - Lodi

PROPS GO TO: Peter B.

Hello, everybody! I just wanted to tell you that this song changes scales towards the end. I tried to tab it out on the same fret but there is one missing chord that I haven't figured out yet (it's labeled with a "?"). If you know what the chord is, please feel free to correct it. Thanks! !!!USE A CAPO ON THE THIRD FRET!!!
