Yes- its fogerty...moreover its CCR

Up Around The Bend

There's a place up ahead and I'm going
just as fast as my feet can fly.
Come away, come away if your going,
leaving the sinkin' ship behind.

Come on the risin' wind
were goin' up around the bend. Ooh!

Bring a song and a smile for the banjo,
better get while the gettin's good.
Hitch a ride to the end of the highway,
where the neons turn to wood.

Come on the risin'.....

You can ponder perpetual motion,
fix your mind on a crystal day.
Always time for good conversation,
there's an ear for what you say.

Come on the risin'.....

[and of course, dont forget the following at the end]

doo doo doo doo doo doo ... doo doo

As for chords, its a D-A-D verse
and a G-D-A chorus... quite simple

I typed in exactly what I saw from
Guitar Anthology Series: Creedence Clearwater Revival
Authentic Transcriptions, 1991

I very detailed paperback book-
Chords and tab and real music and complete fill licks too!
Highly recommended.

marcus- all typos might be because I didnt proof read it
