

depeche mode - It Doesn't Matter Two

SONG: IT DOESN'T MATTER TWO -- Black Celebration

Intro: Em D# Am

Em
As I lay here with you
D#
The shame lies with us
Am
We talk of love and trust
Em
That doesn't matter

Em
Though we may be the last in the world
D#
We feel like pioneers
Am
Telling hopes and fears
Em
To one another

Am
And oh what a feeling
Em
Inside of me
Am G
It might last for an hour
Am
Wounds aren't healing
Em
Inside of me
Am G
Though it feel good now
B Em
I know it's only for now

The feeling is intense
You grip me with your eyes
And then I realise
It doesn't matter
