[C]

I'm going to take my time

[A#]

[G#]

[A#]

I have all the time in the world

To make you mine

It is written in the stars above

The gods decree

You'll be right here by my side

Right next to me

You can run, but you cannot hide

[C]

Don't say you want me

Don't say you need me

Don't say you love me

It's understood

Don't say you're happy

Out there without me

I know you can't be

'Cause it's no good...
