Depeche Mode

SONG: ONE CARESS -- Songs of Faith and Devotion

[intro] Am D# Dmi Em

[1]

Am D# Dm  
Well I'm down on my knees again  
Em  
And I pray to the only one  
Am  
Who has the strength  
D# Dm  
To bear the pain  
Em F  
To forgive all the things that I've done

[2]

Am  
Oh Girl  
Em C  
Lead me into your darkness  
F Am D#  
When this world is trying it's hardest  
Dm Gm Dm  
To leave me unimpressed  
Gm  
Just one caress  
D# C  
From you and I'm blessed

[play intro]

[the same as 1]

When you think you've tried every road  
Every avenue  
Take one more look  
At what you found old  
And in it you'll find something new

[2] Oh girl...

F Bb  
I'm shying from the light  
F Bb  
I always loved the night  
F Bb F Am D# Dm Em  
And now you offer me eternal darkness

[the same as 1]

---

I have to believe that sin  
Can make a better man  
It's the mood that I am in  
That left us back where we began
