```

Verse

```

D#m    F#          B          (Bb)
Well it's about time
D#m    F#          B          (Bb)
It's beginning to hurt
D#m    F#          B          (Bb)
Time you made up your mind
D#m    F#          B
Just what is it all worth

```

Chorus

```

Bbm          B
All my useless advice
Bbm          B
All my hanging around
Bbm          B
All your cutting down to size
C#          B          Bbm
All my bringing you down

```

Intro

```

( D#m, F#, B, (Bb) (
Watch the clock on the wall
Feel the slowing of time
Hear a voice in the hall
Echoing in my mind

```

```

( Bbm, B, Bbm, B, Bbm, B, C#, B, Bbm (
All your stupid ideals
You've got your head in the clouds
You should see how it feels

```

With your feet on the ground

(D#m, F#, B, (Bb) (
Here I stand the accused
With your fist in my face
Feeling tired and bruised
With the bitterest taste

(Bbm, B, Bbm, B, Bbm, B, C#, B, Bbm (
All my useless advice
All my hanging around
All your cutting down to size
All my bringing you down

(Bbm, B, Bbm, B, Bbm, B, C#, B, Bbm (
All your stupid ideals
You've got your head in the clouds
You should see how it feels
With your feet on the ground
