

**dixie chicks - Everybody Knows**

Capo 2

G D  
Tell me now if you came sneaking up behind  
Em C  
Would you know me and see behind the smile?  
G D  
I can change like colors on a wall  
Em C  
Hoping no-one else will find what lies beneath it all

C  
I think I hide it oh so well

CHORUS--

G C  
Stepping out, everyone can see my face  
G  
All the things I can't erase  
D  
From my life  
C  
Everybody knows  
G C  
Standing out so you won't forget my name  
G  
That's the way we play this game  
D  
Of life  
C  
Everybody knows

Looking through the crowd I search for something else  
But every time I turn around I run into myself  
Here I stand consumed with my surroundings  
Just another day of everybody looking

C D  
I swore they'd never see me cry  
C D  
They'd never see me cry

CHORUS--

You say I'll pay the price  
That's a chance that I'll take  
Though you may think I'm telling lies

But I just call it getting by

CHORUS--

Everybody knows (everybody knows)

---

I'm just barely getting by (everybody knows)
