THE DOORS - Shaman's Blues

There will never be another one like you. Oh! Gm There will never be another one who can do the things you do. Oh! Cm Will you give another chance? C Will you try a little try? Gm

F Gm Please stop and you'll remember we were together, anyway. All right. Gm Now, if you have a certain evening you could lend to me, I'll give it all right back to you.

F Know how it has to be with you.

Gm I know your moods and your mind, and your mind, and your mind, and your mind, F Bb D and your mine. Gm Will you stop to think and wonder just what you'll see out on the train yard nursing penitentiary. Cm

Gm It's gone. I cry out long. Gm Did you stop to consider how it will feel, cold grindin' grizzly bear jaws hot on your heels. Cm Do you often stop and whisper in Saturdays shore (that) Gm the whole world's a saviour, who could ever ever ever ever ever ask for more? Gm Do you remember?

Gm Will you stop, will you stop the pain?

Gm There will never be another one like you. There will never be another one who can do the things you do. Oh! Cm Will you give another chance? C Will you try a little try? Gm

F Gm Please stop and you'll remember we were together, anyway. All right. Gm How you must think and wonder how I must feel out on the meadows while you're on the field. Cm

Gm I'm alone for you, and I cry. (spoken) He's sweatin', look at him...optical promise... you'll be dead and in hell before I'm borne... sure thing...bridesmaid...the only solution... isn't it amazing?
