Verse 1,2:

There I stood in the doorway I heard the mission bell
And I was thinking to myself "this could be
Heaven or this could be hell" Then she lit up a candle
And she showed me the way There were voices
down the corridor I thought I heard them say Verse 2:
Her mind is Tiffany twisted She got her Mercedes Bends
She got a lot pretty, pretty boys That she
calls friends How they dance in the courtyard
Sweet summer sweet Some dance to remember
