- Right, this is probably way off, but don't take my word for it. I didn't

tab this with accuracy in mind (it won't make a diff anyhow), just simplicity. Slide Solo, anyone ?

Intro : Verse + Fill II

Verse + Fill II :

I was standing
All alone against the world outside
You were searching
For a place to hide

Verse + Fill III:

Lost and lonely
Now you've given me the will to survive
When we're hungry...love will keep us alive

Fill I :

Verse + Fill II :

Don't you worry
Sometimes you've just gotta let it ride
The world is changing
Right before your eyes

Verse + Fill III :

Now I've found you
There's no more emptiness inside
When we're hungry...love will keep us alive

Fill I :

CHORUS :

I would die for you
Climb the highest mountain
Baby, there's nothing I wouldn't do

Verse + Fill III :

Now I've found you
There's no more emptiness inside
When we're hungry...love will keep us alive

SOLO

CHORUS :

I would die for you
Climb the highest mountain
Baby, there's nothing I wouldn't do

Verse + Fill II :

I was standing
All alone against the world outside
You were searching
For a place to hide

"Love Will Keep Us Alive"
Eagles: Hell Freezes Over
Geffen 1994

This is my first tab so please excuse any errors. I did this by ear
so a few notes here and there might be extra/switched but you'll
know when
you hear it. I threw in some bass notes to make it fuller. Since a
lot is
repetitive I just tabbed the important stuff. This particular song
seems
to please the ladies and is an easy acoustic piece, so enjoy. Solo
is included.
Long live the Eagles!

The main part is:

4/4, pop feel - let notes ring out on acoustic guitar
