

**eagles - Take It To The Limit**

B E  
All alone at the end of the of the evening  
B D#m B C#m E  
And the bright lights have faded to blue  
B D# D#m G#sus4  
I was thinking 'bout a woman that loved me  
B F# E B  
And I never knew  
B F# B  
You know I've always been a dreamer  
B D#m E  
Spent my life running 'round  
E B  
And it's so hard to change  
C#sus4 E  
Can't seem to settle down  
E B E  
But the dreams I've seen lately  
Eadd9 F#  
Keep on turning out and burning out  
F#  
And turning out the same

E B  
So put me on a highway  
E B C#m D#m  
And show me a sign  
E F# B  
And take it to the limit one more time

E B E  
You can spend all your time making money  
F# B E  
You can spend all your love making time  
B D# G#sus4  
If it all fell to pieces tomorrow  
G#sus4 F# E B  
Would you still be mine?  
B F# B  
And when you're looking for your freedom  
F# E  
Nobody seems to care  
E B  
And you can't find the door  
B E  
Can't find it anywhere  
Eadd9 C#m B E  
When there's nothing to believe in  
E F#  
Still you're coming back, you're running back  
F#  
You're coming back for more
