I used to hurry a lot

I used to worry a lot

I used to stay out till the break of day
F

C
Oh that didn't git it

It was high time I quit it
F

I just couldn't carry on that way
Am

Oh, I did some damage, I know it's true
F

Didn't know I was so lonely till I found you
C

You can go the distance

We'll find out
F

In the long run (in the long run)
C

We can handle some resistance

if our love
F

is a strong one(is a strong one)
Am

People talkin' about us

they got nothin' else to do
F

When it all comes down

we will still come through
C

In the long run

F
Ooh I want to tell you
C G G7
it's a long run

And so on for the rest of the song.
The solo is just the intro again, plus some other stuff.
The intro and solo are played with a slide, although it sounds
right with some
bends and regular slides. The rest of the song is just the same
chords.
